LEWIS J. LIMAN, United States District Judge:

By order of August 11, 2023, the Court stayed discovery and ordered the parties to submit a revised case management plan within two weeks of a decision on the motion to dismiss. Dkt. No. 51. The Court issued an Opinion and Order on the motion to dismiss the Second Amended Complaint on July 16, 2024. Dkt. No. 60. No case management plan has been filed and aside from an answer having been filed on July 30, 2024, there has been no activity posted to the docket. Plaintiffs are directed to submit a proposed case management plan by December 2, 2024, or to show cause why, in the absence of a case management plan or any other activity in the case, the matter should not be dismissed for failure to prosecute.

SO ORDERED.
